Seven Wonders of the World

The Pyramids and the Sphinx Part 1

## Locations of the Seven Wonders

Statue of Zeus

Colossus of Rhodes

Temple of Artemis

Mausoleum of Halicarnassus

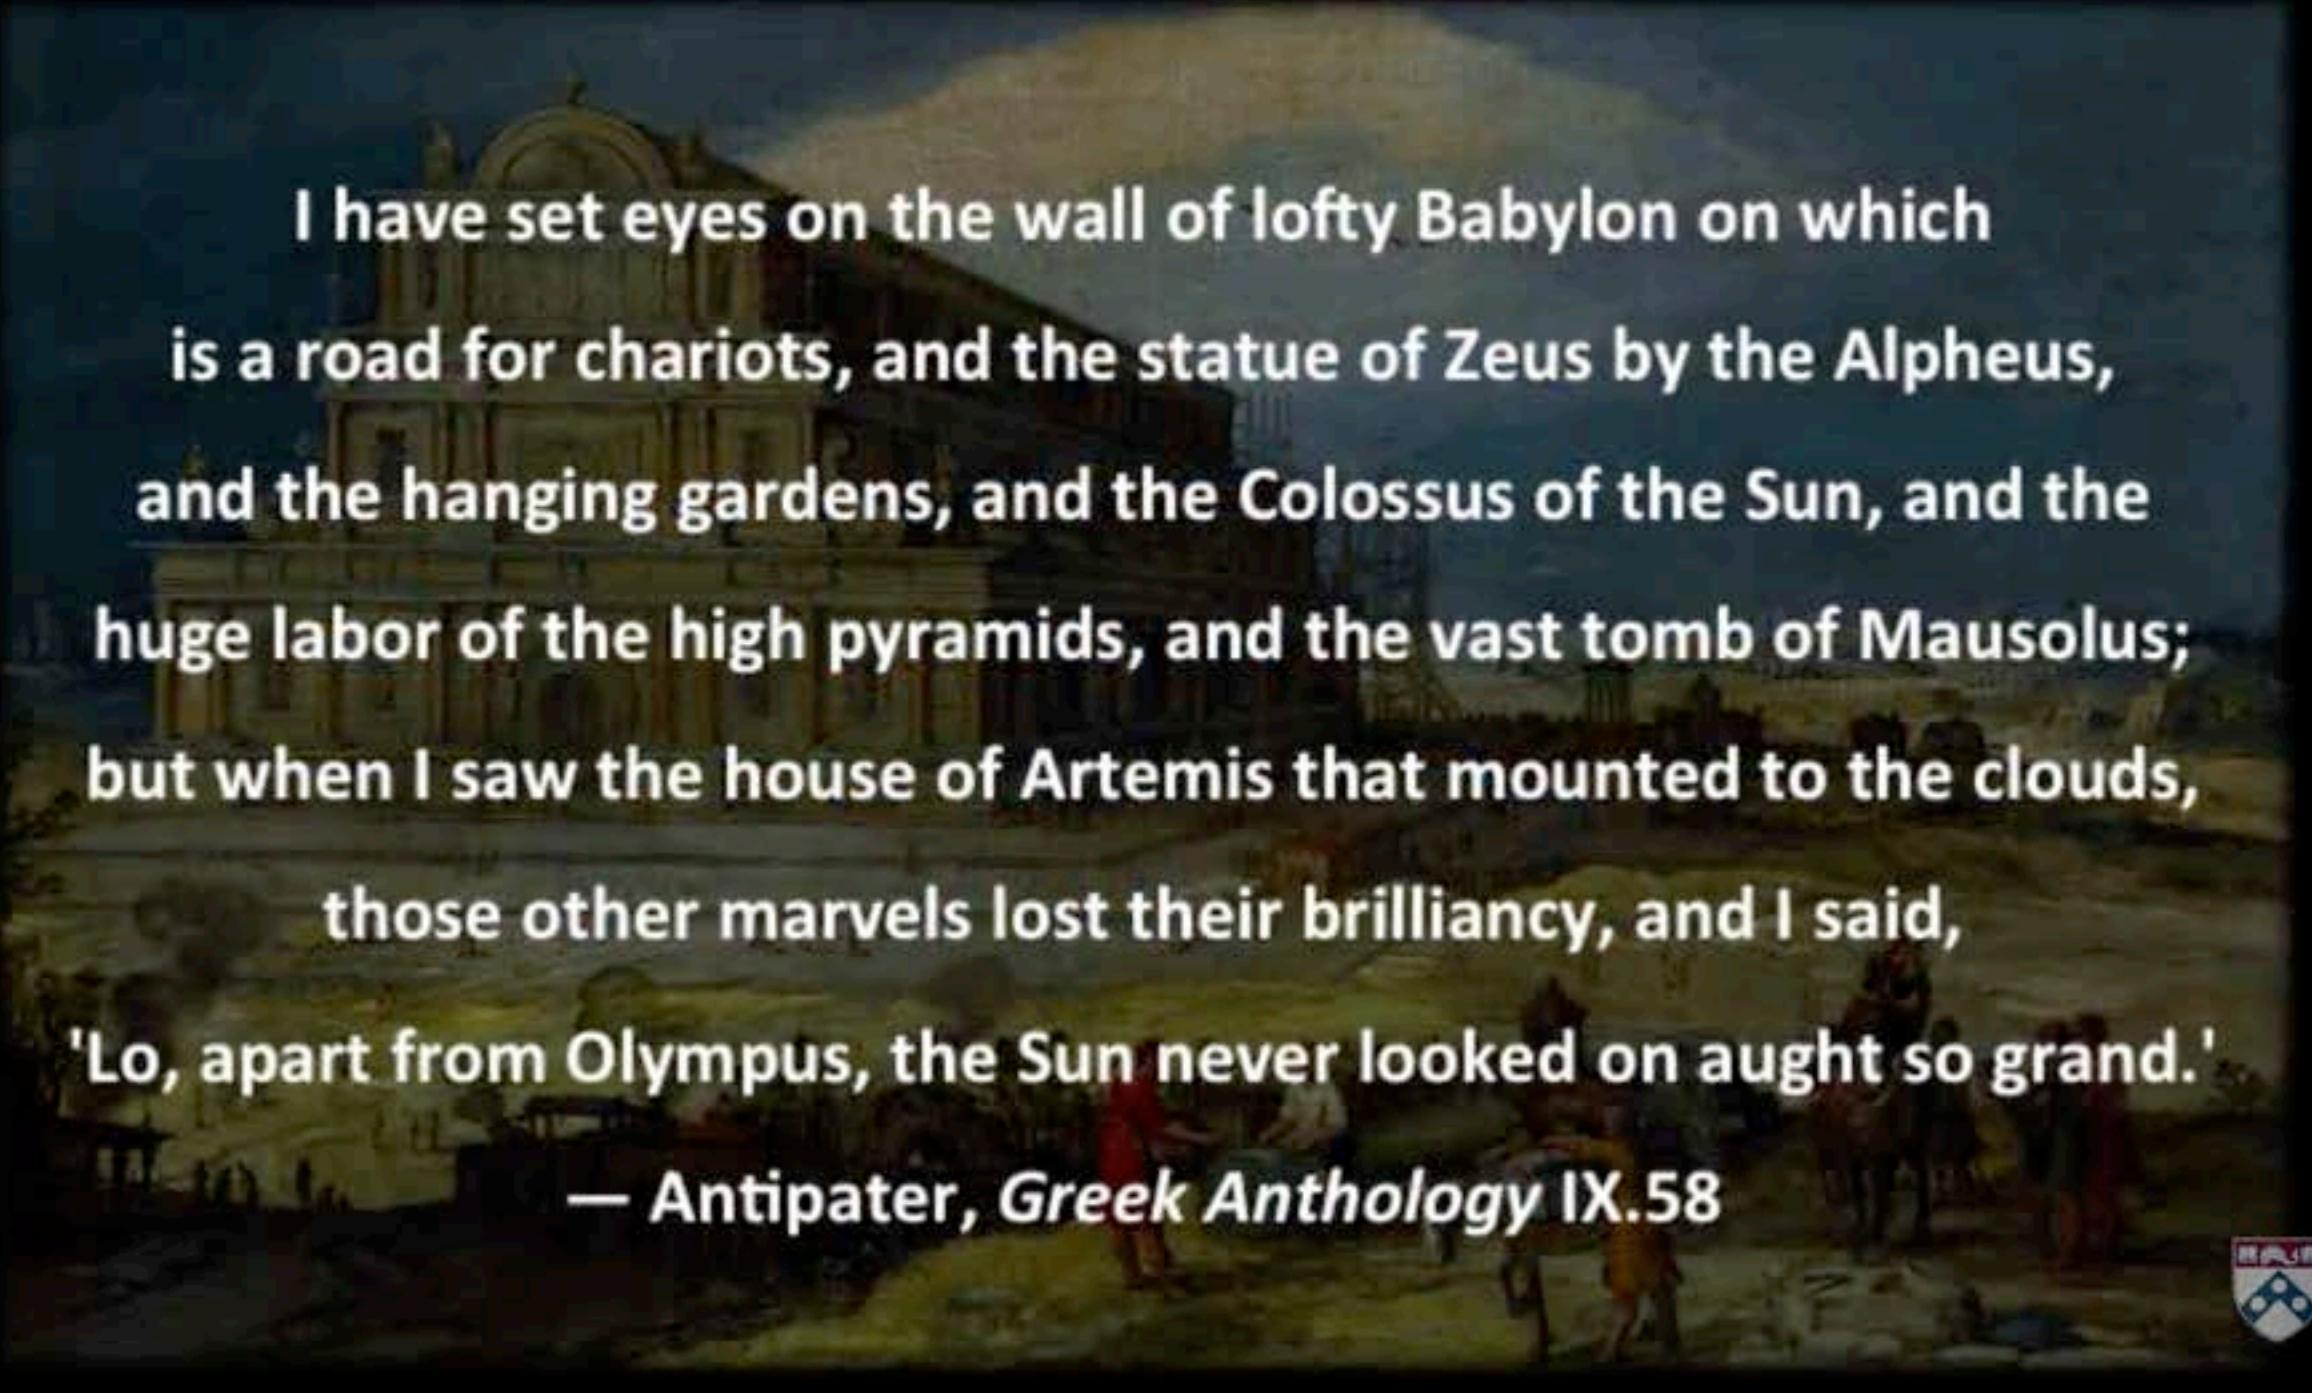

Great Pyramid(s)

Hanging Gardens

I have set eyes on the wall of lofty Babylon on which  
is a road for chariots, and the statue of Zeus by the Alpheus,  
and the hanging gardens, and the Colossus of the Sun, and the  
huge labor of the high pyramids, and the vast tomb of Mausolus;  
but when I saw the house of Artemis that mounted to the clouds,  
those other marvels lost their brilliancy, and I said,  
'Lo, apart from Olympus, the Sun never looked on aught so grand.'

— Antipater, *Greek Anthology IX.58*

The Pyramids and the Sphinx Part 6

A large, weathered stone sphinx statue stands prominently in the center of a grand Egyptian temple. The sphinx has the head of a human and the body of a lion. It is positioned on a tiered stone platform. The background features massive, fluted columns supporting a dark, curved roofline. The overall atmosphere is one of ancient grandeur and mystery.

A large, weathered stone sphinx statue is positioned in the center of a grand Egyptian temple. The sphinx has a lion's body and a human head, with its arms crossed over its chest. It is surrounded by massive, fluted columns and intricate relief carvings on the walls. The lighting is dramatic, casting deep shadows and highlighting the texture of the stone.
